DOMAINE DES REMIZIÈRES

2017

Cornas

93/100

Dark inky almost opaque/purple colour. Pure nose that offers lavender and violet with ripe cassis, blackberry, pepper and meaty notes with fine oak underneath. The palate is dense and concentrated, still in a youthful phase but impeccably balanced with ripe extract, plenty of tannin that contributes with length and freshness, succulent dark fruit, some meatiness and a very long dense finish.
