DOMAINE DES REMIZIÈRES CUVÉE EMILIE 2015

Hermitage

95/100

Bright black purple colour. Perfumed and intense nose with high ripeness, stony and mineral notes with inky dark fruit like cassis, blackberry, cherry with a floral touch and meaty notes, great purity and discreet oak. The palate is massive but rounded without hard edges, very intense and lingering flavours with crushed berry fruit, a bright freshness, grainy tannin, fine layers of mild spices, pepper and meat followed by a tremendously long and pure finish. Should easily age for half a lifetime...
